2010 Show Season

Dear Sirs:

I am writing to you on behalf of the National Barrel Horse Association-North Carolina District 9 (NBHA-NC09). NBHA was established in 1992, and is the fastest growing barrel racing association across the United States. It is family oriented, ranging from barrel racers as young as 2 and seniors over the age of 50. Each state is divided into districts to enable its members to travel to shows locally. Members compete within their districts for year-end awards and a chance to compete at the state, regional, and world championships.

Once again this year, we want to rally behind our local district. Our goal is to be able to give away awards to our members who have finished in the top of their division at the end of the season. Year-end awards include saddles, buckles, coats, halters, or other items that the district can afford. In order to accomplish this we are holding several fundraisers this year, including our 1st Annual Spring Fling Fun Show on May 15th 2010. We are looking for interested businesses to sponsor a class for \$25.00. This sponsorship money will help offset the cost of putting on the show. If you are not interested in sponsoring a class and are in the equine business, any product(s) you would be willing to donate would be greatly appreciated. If you are in the restaurant business and would be willing to donate coupons, those would be appreciated. We are looking forward to a great show and would love to give away multiple prizes to our participants with your help. This would also be an excellent time for your business to advertise your services/products.

We indeed have some neat kids in our district, and we want to see good things happen to them. If you can help us reward these members, it would truly be a blessing. For more information, please call Chassity Smith at 828-413-1221 or Debbie Harris at 828-228-2691. Thank you for your time and consideration. We look forward to hearing from you.

Thank you and God bless,

Chassity Smith
